### Homework for November 6, 2024 - Kingdom Men

1. Paul gives special recognition to Phoebe in verses 1 and 2. What are at least three things we know about her from reading these verses?
2. In verse 3, it states “Greet Priscilla and Aquila, my co-workers in Christ Jesus.” Who were they and why was Paul so appreciative of their support? Share scriptures to support your answer.
3. The Apostle Paul greets 26 people in verses 3 to 15. Although he had never been to Rome he seemed to know these faithful servants by name. How do you think Paul obtained all these names and what does it say about how he valued relationships among fellow believers?
4. What did the Apostle Paul want the Roman believers to watch out for in verse 17? Why would he warn the Roman church of this issue when there is no prior mention of it?
